I will do the best as I can, but I will need the help of each and everyone of you. I congratulate each of the newly elected officers and look forward to working with them.

Our assembly meeting for July 15th will be held at the Deland Hall at 7:00P.M.. Thank you Council 6274 for allowing us the use of your home. I am going to require that all members wear a mask while inside the council hall. This is to respect one another. We will be distanced from one another.

Fear Not

As the sun turns and faces me

The fears inside of me begin to be

For the fears are a heavy burden

As I look at each fear with uncertain

It's the fear of the future that brings me down

For the present is what seems sound

Today everything is clear

Tomorrow is what I fear
So, I turn to God to overcome my fears
His love has helped make my eyes clear
For without God's love to guide my way
Fear of judgement day is here to stay
I will not fear Him, I put my faith in God
With His grace I am in awe
Fear not the Lord, but love Him
And Heaven will be there for me to win

Fraternally

William Lowry FN
